

Experienced Analyst (m/f/d) with Audit Experience for Transaction Services in Frankfurt or Munich

JOB DESCRIPTION

- You will work as fully integrated team member on planning, executing and delivering Transaction Services (primarily Financial Due Diligence in buy- and sell-side transactions) for international and national private equity and corporate clients.
- From the beginning you get responsibility on our Financial Due Diligence projects and you will get an intensive training on the job to deepen your understanding of the mechanisms of buy- and sell-side M&A processes.
- You will receive a performance orientated and fair remuneration and you will be supported in your professional exams and qualification.
- Your counsellor will support you in your personnel and professional development and future career.

YOUR PROFILE

- At least one year post-graduate experience in the financial industry, ideally in the Audit and Assurance practice of a reputable audit firm
- Excellent analytical skillset, entrepreneurial mindset, motivated, proactive, reliable and stress-resistant
- Eager to assume responsibility and to work independently
- Profound knowledge of German GAAP and/or IFRS, and accounting
- Bachelor/Master degree from a renown university/business school
- Fluent written and spoken English, advanced German language skills
- Proficient in MS Office (especially MS Excel and PowerPoint); experience with analytical tools e.g. Power Query, PowerBI, Alteryx, etc. is a plus
