

## Intern (m/f/d) Infrastructure & Project Finance in Hamburg

### JOB DESCRIPTION

- You will work as fully integrated team member on planning, executing and delivering financial and transaction services in the infrastructure and renewable energy sectors (primarily financial engineering, financial modelling as well as M&A services) for international and national project developers, private equity and infrastructure funds.
- From the beginning you will receive an intensive training on the job to deepen your understanding of the mechanics of financial modelling and engineering, as well as M&A processes.
- You will be coached by a mentor who is available at any time to support you with professional or personal advice. In case this is of interest to you, you may also write your thesis in our firm.

### YOUR PROFILE

- Motivated, proactive, reliable and stress-resistant, excellent analytical skills
- Currently pursuing a bachelor-/master's degree from a recognized university or business school with preferably a major in finance, business mathematics, business administration or similar
- Basic knowledge of IFRS and accounting, knowledge of German GAAP is a plus
- Fluent written and spoken English and German language skills, French is a plus
- Proficient in MS Office (especially MS Excel and PowerPoint); experience with analytical tools e.g. Power Query or Power BI is a plus
- Previous internships or work experience in finance is a plus
- Available for a term of at least 4-6 months

### ABOUT US

Eight Advisory was founded in 2009 by 8 former partners of Arthur Andersen/Big4 company as a firm specialized in Transaction Services, Restructuring and Transformation. Today, Eight Advisory has grown to 510+ employees (including 66 partners) in France, UK, Belgium, Netherlands, Germany and Switzerland. Together with the Eight International network, counting over 600 employees in more than 20 countries, we respond to a growing demand for financial advice of private equity firms, medium- and large-sized corporates, investment banks.

Eight Advisory Germany was established in Frankfurt in 2018. Together with our second German office in Munich we are offering customized financial, tax and transformation services for various projects e.g. M&A transaction, reorganization, carve out, refinancing, tax structuring and transformation.
